Your responses to the following areas should reflect your professional opinion of the practicum teacher's abilities and predicted success as a classroom teacher. Your remarks will be placed in the student's permanent personnel file. You may (1) write comments; (2) scale the student 1-10 with 10 being EXCELLENT; (3) place a mark on the line under a printed comment such as EXCELLENT, ABOVE AVERAGE, etc.; or (4) do a combination of all of the above. As an "acceptable" level of performance is expected, please describe on the reverse of this sheet any rating below "AVERAGE," "5," or comments showing weakness. In order to pass practicum and related methods courses, the student MUST receive an average or higher on items 1-4.
