

Do You Know?

Chapter 8

- **Did you identify with one of the teachers on pp. 315-16?
- **Did you complete the Inventory of Philosophies of Education?
- **Can you discuss the results and what they mean for you?
- **Can you discuss the basics for each of the philosophies?
- **Can you relate each of these to Teacher-Centered vs. Student-Centered?
- **Can teachers blend the five philosophies?
- **Did you look at Table 8.1 on p. 332 to see how each focuses on curriculum, samples of classroom activities, role of teacher, goals for students, and educational leaders associated with each?
- **Do you know what 'Constructivism' and 'Scaffolding' mean?
