**EDUC 2204 Introduction to Education
Fall semester 2009**

Section 1 – 9:00 – 10:00 MWF
End of Semester Routine/Schedule

Due Friday, December 4, 2009

- Turn in logs and journals (or option B materials) from field experience component. If you completed observations in school systems other than Towns and Union Counties (with my approval), I must have the evaluation form (p.6 of Observation Packet) from the classroom teacher for you to receive credit. **At this point, I have only received 2 such evaluations.** All observations are to be completed by November 30. **Please do not request observations after this date! Please be professional with your email correspondence with teachers (you are not having a casual conversation with a personal friend)!**
- Turn in your scored performance checklist along with a 1 page impact refinement statement relating to the presentation of your Philosophy of Education paper.
- The final draft of your Philosophy of Education paper should be submitted via email attachment **before the beginning of class on Friday, December 4, 2009.** Beginning today (November 17) you may submit as many drafts as you would like for my feedback.

Additional points of information:

- All threaded discussion topics should be addressed by Monday, November 16, 2009.
- The second conference should have been completed by Monday, November 16, 2009.
- Exam 2 will be completed Friday, November 20, 2009.
- Presentations as defined by the performance checklist provided in class will be given beginning Monday, November 24 and completed at the December 7 Final Exam period. Please check the schedule for your date and time.
- **Your attendance during presentations is required to support your classmates as they are supporting you during your presentation.**
