

EDU 204 Introduction to Education
Spring Semester 2009
Field Experience

I wish to choose the following option to complete field experience requirements for this course:

Option A: Field Experience: Select one (1) of the two options: **A. Education Major:** Observe 10 hours in an assigned classroom, submit a journal report summarizing your observations of *teaching strategies, *classroom management, *student engagement/participation, student assessment/evaluation, *general professional/ instructional noteworthy points, along with an Observation Record Form documenting your observations. **(See Observation Packet)**

Option B: Elective: a) attend and record as described in class a school board meeting, b) attend and record as described in class a school function such as a PTA, PTO, open site-based decision making council, c) Interview (record as per class description) a practicing classroom teacher.
