

EDUC 2210 Teacher Technology
Chapter 7 Evaluating Educational Technology and Integration Strategies

Do You Know? (Chapter 7)

1. The components for a simple lesson plan? Can you discuss each of those with the class? Can you demonstrate each for the class? (Think ‘presentation of your unit at the end of the class.’)
2. Three reasons why integration of subject areas is important?
3. One means of integrating two subject areas in your classroom?
4. Three ways the school community may use to bring in additional funding for technology?
5. How blogs may be brought into your classroom management and instruction?
6. How to evaluate student work using technology?
7. The most important issue to you (and why) in “Teaching Today”
8. Which of the “Education Issues’ had the greatest impact on your thinking?
9. How to evaluate web sites?
10. Check out “Integration Corner”. Which option got your attention and why?
11. Three most important issues to you (and why) in “Assistive Technologies Corner?”
12. Key terms for Chapter 7?
13. The check point for Chapter 7?
14. Teaching Today topics – in particular, rubrics?
15. Education Issues – How do you feel about the use of Games in the classroom?
16. How did you do on the ‘Practice Test’ for this chapter?
17. Are you getting a feel for integration of subject matter in your subject area and level? Can you present a short demo to the class as to how it might be used? Please give a short overview.
18. How to determine the effectiveness of ‘Assistive Technology’?
