

EDUC 2210 Teacher Technology
Guidelines for Completing Unit for Presentation and Completed Assignment

As you are putting the finishing touches on your mini-unit please keep the following in mind:

- a. Please have an overview section at the beginning of the unit that includes the topic, demographics of intended classroom setting, and broad unit goals. (not objectives)**
- b. Please have your concept map as the second component.**
- c. Please include your lesson plans as the third component.**
- d. Please include a section with the annotated bibliography as the fourth component.**
- e. Please include a section (either appendixes or a folder appropriately organized) with all supplementary materials, i.e. notes, homework, handouts, tests, quizzes, etc as the fifth component.**
